NEW THIS YEAR: Free Blues Appetizer on Thursday, March 18 with the Blues Generators.

Blues Bash at the Ranch came about after the continued success of Camping with the Blues, held in October of each year at Florida Sand Music Ranch. Greg Herndon (dec) and Paul Benjamin felt another blues festival would be a perfect addition to the ranch to be held in the spring each year.

Camping with the Blues was envisioned by Greg Herndon, a former member of the Sertoma Youth Ranch Board of Directors, to create a blues music festival at this amazing venue to help fund and keep operational this campground for our youth to enjoy.

Set in the rolling hills of Florida, Blues Bash at the Ranch is an annual blues music event which benefits the beautiful and rustic Florida Sand Music Ranch and will be held Friday thru Sunday, March 19-21, 2027 at the Florida Sand Music Ranch, 85 Myers Road, Brooksville, FL 34602. This is an incredible three day and three night camping festival located just off I-75 at Exit 293.

Blues Bash at the Ranch is produced by GPS Festival Productions, LLC; Greg Herndon (dec), Former President and Owner of Mojoe Productions, Inc., an interstate all event production company which supplies sound, stage and lighting for countless events all over the eastern USA, Roseanne Herndon, Greg's wife and partner Paul Benjamin, Blues Booking Agent and Founder of the highly successful North Atlantic Blues Festival. Between these two, there is over 80 years of combined experience in the entertainment industry and festival production and are paid consultants at various festivals throughout the year.
